

**Next Town Hall Meeting:**

***Thursday, August 23<sup>rd</sup> @ 11 a.m. in SHDH 351 - review of the WARB fall construction details as well as the Woodland Walk renovations progress. Light refreshments will be served.***

Please note that footpaths will change sometimes daily over the next few weeks as the construction crew works to reopen the Woodland Walk walkway, 37<sup>th</sup> Street and Tannenbaum Quadrangle.

**WARB three week look ahead of construction related activities:****Week of August 6**

1. 37th Street - Chilled water line installation is complete. Grading and leveling of street subsurface will continue.
2. Continue demolition of existing duct bank. *There will be loud noise associated with this work.*
3. Locust Walk – Complete underground electrical work across Locust Walk at 37th Street.
4. Tannenbaum plaza – Contractor will begin to install the new sprinkler system and install granite curbs.
5. Behind SHDH – Contractor will continue foundation walls for new building.
6. Woodland Walk – Paver work will continue.

**Week of August 13**

1. 37th Street - Install asphalt paving between Locust Walk and Spruce Street. *There will be odor associated with this work.*
2. Tannenbaum plaza – Complete sod installation. This area is due to be complete and reopen by August 17<sup>th</sup>. **Note footpaths will modify at this time.**
3. Behind SHDH – Contractor will begin waterproofing foundation walls.
4. Woodland Walk – Paver work will continue.

**Week of August 20**

37th Street – 37th Street will reopen for public access. **Note footpaths will modify at this time.**

Behind SHDH – Begin installing building steel for electrical substation.

Woodland Walk – Complete paver work to Joe's Café and re-open Eastern end of walk for public access. **Note footpaths will modify at this time.**
